

CTA Bulletin - Vol 41 (2007) to Vol 50 (2016)

Subject Index

(except Greater London entries, which are on page 15)

The CTA Bulletin has been published bi-monthly in the odd-numbered months of each year i.e. January, March, May, July, September and November. Each year has comprised one volume.

The format of this index is as follows: Volume number - Issue number: page number(s).

So that 47 - 1:1,14,21 indicates page numbers 1, 14 and 21 of Vol 47 No 1.

For later issues in the same volume the volume number is not repeated, hence 41 - 4:10 5:6 indicates page 10 of issue 4 and page 6 of issue 5 of the same volume, No 41.

"S" after the issue number indicates a separate supplement. Numbers in *italics* indicate illustrations.

In early issues, Birmingham, Edinburgh, Glasgow, Liverpool and Manchester were not separated into suburbs; also suburb boundaries are often not clearly defined - please try looking up alternative names.

Some back issues of the CTA Bulletin are available:

please see the publications page of the current Bulletin or send enquiries for specific issues to:

The CTA Sales Officer, 34 Pelham Road, Wood Green, London N22 6LN

CTA Bulletin - Vol 41 (2007) to Vol 50 (2016)

Subject Index – Greater London

The format is the same as the main index. The London Boroughs roughly equate to the area within the M25. However, the boundaries are often not clearly defined – please try looking up alternatives or check the main index.

A MUST for your collection

CINEMAS IN BRITAIN

A History of Cinema Architecture

by Richard Gray

First published in 1996 to celebrate the centenary of cinema in the UK. In this fully revised edition, the text has been completely rewritten and expanded and there are extra photographs, 10 in full colour. Of particular interest is the 24-page gazetteer of cinema buildings, telling the reader what there is to see in most places in the UK. There are useful appendices about listed cinemas, a glossary of architectural terms and a comprehensive bibliography.

Hardback, 180 pages, fully illustrated in b/w & colour.
